D. SERVICES FOR SHIPS CALLING

1. SHIP-GENERATED SCRUBBER WASTE

A fee for reception of waste from ships is charged in accordance with Swedish legislation and EU Directive 2000/59/EC.

Scrubber waste	SEK 1 208 for classification and administration per occasion, as well as actual cost of disposal
----------------	--

2. FRESHWATER

Per tonne or part thereof	SEK 40
Minimum fee per delivery	SEK 737
Connection fee	SEK 444

In the case of water supply outside normal hours of work, an additional hourly fee for personnel is charged in accordance with D.5. In the case of abnormal interruptions to water supply to the port, a fee will be charged for the actual additional costs.

3. ELECTRIC POWER

Energy consumption as per actual cost

There is an additional hourly fee for connection of electric power in accordance with D.5.

4. SERVICE BOATS

Service boats	SEK 1 260/h
---------------	-------------

Service boats must always be operated by two persons from port personnel. A fee for personnel costs is payable in addition to the service boat fee, in accordance with D.5.

5. ENERGY TERMINAL SERVICES AND OTHER SERVICES

Normal working hours (weekdays 07.00–15.30)	SEK 743/h and per person
Other times except major public holidays	SEK 1 376/h and per person
Major public holidays by agreement	SEK 1 798/h and per person

Energy terminal personnel work 12-hour shifts (start of shift 07.00 and 19.00). A deferred start of shift must be approved by the port.

6. TUG ASSISTANCE

Restrictions for tug assistance at Port of Pitea can be found on the National Maritime Administration website:

<https://www.sjofartsverket.se/sv/tjanster/lotsning/lotsomrade-lulea/lotsbestallning2/pitea/>

Tug assistance is offered during the ice season. During that period there is a tug at the quayside for ice-breaking of the port's fairway. A fee is charged for towing in the fairway up to the quay and for berth shifting at the quay.

During other times of the years the supplier of tug assistance should be contacted directly.

7. BOATMEN AND MOORING SERVICE

GT	In -in working hours Out -in working hours (SEK)	In -in working hours Out -on overtime (SEK)	In -on overtime Out -in working hours (SEK)	In -on overtime Out -on overtime (SEK)
0–3 000	3 177	3 706	4 235	4 765
3 001–7 000	3 706	4 348	4 916	5 559
7 001–14 000	5 142	6 050	6 806	7 714
14 001–	6 201	7 335	8 168	9 302

The fees relate to two persons. A fee is charged for further personnel in accordance with D.5.

Berth shifting along a quay is charged at SEK 3 000.

Berth shifting from one quay to another is charged at SEK 5 000.

Ordering of boatmen

Monday–Friday 07.30–16.00: the port office, telephone +46 (0)911-23 21 30.

Other times: Securitas, telephone +46(0)70-191 87 00.

If the ship arrives or departs more than 30 minutes after the ordered time, a fee is charged for waiting time in accordance with D.5.

A boatman obligation applies to all vessels. In exceptional cases, exemptions may be granted by the port management.

If a mooring boat is required or ordered, a fee is charged in accordance with D.4 and D.5.

E. RAILWAY TRACK FEES

8. TRACK FEE

8.1 A track fee is charged for traffic on the railway infrastructure managed by Piteå Kommun.

Information on applicable track fees can be found in the document Description of Railway Network.

8.2 Emission line fee

Emission fee for locomotives and railcars operated with liquid or gaseous fuels arriving at or departing from the port by rail

SEK 50 per locomotive/railcar

8.3 Siding fee

A siding fee on all managed tracks is charged after three days counting from date of arrival

SEK 50/day per car

F. STORAGE OF CARGO

9. RENTAL PROVISIONS

9.1 General rental provisions

Rent is charged for temporary storage, putting into store and parking of cargo in accordance with F 9.2.

Seven days are generally granted free for arriving and departing cargo handled in a designated space within the logistics area.

Covered space is provided subject to availability.

Started months and parts of months are charged as whole months.

Reserved logistics space at the start of the period, including necessary free spaces such as protection zones, driving routes and barrier equipment, forms the basis of charging.

Pads, reinforcements, support plates or similar are required for goods that impose a load of more than 10 tonnes/m² (100 kN/m²) on the ground. A separate fee is charged for this.

The tenant of the storage space must bear the cost of and provide the following:

- Cleaning and tidying during and after the rental period.
- Necessary winter road maintenance for discharging, loading, storage, etc.
- Normal operating measures for the tenant's handling of goods (sweeping, dust binding, etc.).
- Insuring of stored goods.

Piteå Hamn AB cannot be held liable for damage, loss, etc. of stored goods.

9.2 Price list for storage services

Temporary storage places, outdoor within the area of operation of Port of Piteå:

- | | |
|------------------------------------|---------------------------------|
| 1. Asphalted or equivalent surface | SEK 7.00/m ² , month |
| 2. Other hardened surfaces | SEK 4.80/m ² , month |

Temporary storage places, under cover within the area of operation of Port of Piteå:

- | | |
|-------------------------------------|----------------------------------|
| 1. Without walls ('canopy') | SEK 21.50/m ² , month |
| 2. With four walls, without heating | SEK 43.00/m ² , month |

The following supplements will be added for goods stored for more than six calendar months, counting from the date of arrival:

- * 100% on the storage price after 6 months.
- * 200% on the storage price after 12 months.

G. OTHER PROVISIONS

10. OTHER PROVISIONS CONCERNING OPERATION

10.1 Seven days are generally granted free for temporary storage of arriving and departing goods handled in a designated space within the logistics area.

10.2 One day is counted from 00.00 to 24.00.

10.3 Normal hours of work are considered to be weekdays (Monday to Friday) 07.00–15.30.
